Cookie policy

In common with most other websites, we use cookies and similar technologies to help us understand how people use our website so that we can keep improving it.

Google Analytics is a service provided by Google, Inc. We use Google Analytics and therefore we use statistics cookies to help us analyze how users use our website. These cookies provide us with anonymous information such as for example the fact that a visitor views certain pages on our site. We use persistent cookies. They remain on your computer when you have gone offline.

Cookies automatically identify your browser to our server whenever you interact with our site. If you prefer not to allow us to collect "cookie" information you can disable the cookies by turning them off in your browser.

Browsers (Firefox, Internet Explorer, Safari, Chrome…) are initially set up to automatically accept cookies. You can change the settings on your browser to block or delete cookies stored on your device through your browser. Please refer to your browser instructions to learn more about how to adjust or modify your browser settings.

If you choose to use our site without blocking or disabling cookies, you will indicate your consent to our use of these cookies and to our use (in accordance with this policy and the rest of our Privacy Policy) of any information that we collect using these technologies.

Please find enclosed the cookie that we will use.

Nature	Type	Name	Function
Indispensable	Wordpress Cookies	worpdress_* wp-settings-*	The site uses the Wordpress platform as a platform for content management. Cookies are used to record your interactions with the site and remember if you are allowed access to restricted pages that require authentication. The information stored by these cookies cannot be used for commercial purposes. They are essential to the proper functioning of the site and if you disable them several features of the site will no longer work.
Functionality	Preference cookies	redirect dispatchDisclaimer	Preference cookies allow user choices and preferences to be stored. These cookies allow your site language option to be remembered and for the site version relevant to your country to be displayed.
